
PROVIDER ENGAGEMENT

Conversation with Provider
Supports

June 14, 2023

Washington State Department of
CHILDREN, YOUTH & FAMILIES

Goal/Outcome

Today's goal is for ELAC members to engage in a discussion with Licensing & Early Learning division leadership regarding statewide provider engagement plans.

The official end of the Covid-19 Public Health Emergency (May 11, 2023) affords us an important opportunity to reinvigorate in-person engagement with providers and strengthen those relationships.

INFORMATION GATHERING PHASE

May & June

LEARNING OBJECTIVE

A deep understanding of providers' different approaches, priorities, and needs.

QUESTIONS FOR Provider Supports

- In thinking about DCYF's relationship with its provider community, what areas are healthy and productive and what areas need work?
- Describe a time when DCYF engaged meaningfully with providers and what made it successful.
- What are the concerns or needs among providers that DCYF isn't paying enough attention to?
- What or who are they paying too much attention to?
- Finish this sentence: "My relationship with DCYF..."
